

FitZone Premium Home - Free Weight Flooring

FitZone Premium Home flooring is an interlocking flooring system that fits in rooms of all sizes. FitZone tiles are 100% water resistant, stain resistant, and easy to clean. FitZone Premium is the best flooring solution for traction, impact, and absorption while also protecting the subfloor beneath. An ideal solution for renovation or high moisture applications and perfect for any free weight area in your home. FitZone Premium can be interconnected with FitZone Home tiles, see diagram on the right.

Benefits:

- Quick and Easy Installation
- Low maintenance
- Non porous virgin rubber that's virtually odorless
- Slip resistant (ADA compliant)
- Excellent fungal, bacterial and microbial resistance throughout
