

FitZone Total Home

A performance vinyl plank flooring that is safer, quieter, and more ergonomic than traditional LVT products

Benefits:

- Features a 2mm vinyl fusion bonded to a 5mm VCR base for better performance.
- Ergonomic underfoot
- Realistic wood visuals with natural wood variation among planks.
- Easy to install and maintain
- Fully adhered flooring

Perfect for home gyms, multipurpose rooms, basements, offices or any room in your house!

Specs:

- 21 mil wear layer
- Includes 5mm VCR base layer
- 7mm total thickness
- 7mm (2mm + 5mm) x 6.25" x 48"
- 12 planks per carton (24 SF)
